Blanket Permission for School Events

Thank you to everyone who has given blanket permission for school events and EOTC activities. We will notify you of all school trips and you will have the option to say no, you would rather your child did not participate. We need parent support for most out of school activities and will provide the email address to send this to.

We will email advice notices to you and post these on Skoolloop which is a great way for parents to keep in touch with school activities.

If you haven't joined Skoolloop here are the steps.

Downloading the Skool Loop app - a step by step guide

Once you have downloaded the Skool Loop App, via either your Google Play or App store, please follow the below instructions to select your school -

- Open the Skool Loop App - you will land on a welcome page.
- Click the 'Select your schools' this will bring you to a menu you can either search your school or follow the country/region prompts.
- Once you reach your school, select it with the tick on the righthand side.
- Tap the 'select schools' button in the top right corner.
- Tap the big orange choose button. This will load your school and bring you to the settings page.
- Subscribe to the groups that are relevant to you, then click the 'go back' button on your phone, which will bring you to the main screen of your schools app.

125th Anniversary

Save the date for our 125th Anniversary celebrations Labour Weekend 21-22 October. If you know of any former pupils please let them know the date. Registrations will be open soon with details on our school website.

If you would like to be part of the organising team, please let me know.

School Donation Requests

Over the next few weeks you will receive the Roseneath School Contribution Request. Joanne issues individual itemized accounts for each child. The fee includes a donation to the school, stationery your child received on day 1, subscriptions to Mathletics and Stepsweb, an EOTC/transport component and if your child is in Year 7&8 there is a Technicraft fee.

We rely on school donations to supplement the government funding which with our reduced roll this year is less than we had anticipated. If you are in the position to help out with a donation for someone unable to contribute that would be greatly appreciated.

Thank you for supporting our school to be the vibrant, inclusive community that it is!

You can also view payment and donation requests, and make payments, directly into the school account or on the MyKindo app. Remember you can claim back tax credits for any of donations made to the school. You can find out more about tax credits here <https://www.ird.govt.nz/income-tax/income-tax-for-individuals/individual-tax-credits/tax-credits-for-donations>

If you would like to set up a payment plan for your donation and fees please contact Joanne in the school office office@roseneath.school.nz.

Bubbles Day - Token Reward Day!!

We have filled the token jar to the top!! This means a reward for our hard work demonstrating the school values. The children receive a token for each of the values:

- Kindness and Respect
- Curious and Creative
- Strive in our Learning
- Believe in Ourselves

Today the children celebrated with a Bubbles Day at school. The classes have been making their own bubble wands and experimenting with ingredients to make the ultimate bubble mix.

Ultimate Bubble Mix

2 litres of water

6 tablespoons of glycerol

1 cup of detergent

NZSO Free “ Pick a Path” Concert Wednesday 31 May

This free concert for school is at the Michael Fowler Centre at 11am on Wednesday 31 May. We are traveling by bus to and from the event and will have an early morning tea before we depart at 10 am. The concert is an hour so we will be returning in time for lunch. Look out for the advice notice and let us know if you would like to accompany us. There will be limited space on the bus but you could meet us at the venue.

WHEN YOUR CHILD SAYS "I CAN'T"

There's a magic phrase you can use when your child says "I can't!".

SHOW ME THE HARD PART

EXAMPLES

I can't do this!! I hate math!

Show me the hard part.

Here, this is hard.

Aha, so you can add these two numbers. But are not sure how to multiply here?

Yes, can you help?

I can't build this! It's too hard!

Show me the hard part.

Right here...

Ah I see. The pieces you put together here look a little different from the directions, what do you notice?

Ohh, I see now....

WHY IT WORKS

- 1 It breaks down your child's problem into **manageable chunks**.
- 2 It gives your child a chance to **problem-solve**.
- 3 Your child sees what they already **CAN** do.
- 4 It shows your child **you're on their team**.

When your child feels discouraged or ready to give up, just say:

"Show me the hard part."

HAVE YOU THOUGHT ABOUT HOSTING AN INTERNATIONAL STUDENT?

Now that global travel has opened up we are receiving many applications from students wishing to start at Wellington High School in term one 2023. These students will come for one term through to a year.

We are now looking for new homestay families who are inclusive, caring, supportive and willing to share their home and Kiwi life with a student. Visiting students want to experience day to day life with a New Zealand family and to feel a part of the family. The 2023 homestay fee will be \$320 per week. After hosting more than 50 students a homestay Mum summarised saying "Hosting students opened up the world for our family. I can't think of the word to really describe how enriching the whole experience is."
