School Donation Requests

You would have received the Roseneath School Contribution Request by now. If you have not received one, it will be because there is nothing outstanding—please contact the office if you are concerned. The fee includes a donation to the school, stationery your child received on day 1, subscriptions to Mathletics and Stepsweb, an EOTC component and if your child is in Year 7&8 a Technicraft fee. Also there will be charges for any outside activity that your child has joined through the school eg basketball, After school care. Please note that these outside activity fees are separate to the other contributions and need to be paid. If they are not paid then the school covers this through their yearly budget, meaning that money normally spent on curriculum, for the whole school is reduced.

We rely on school donations to supplement the government funding which with our reduced roll this year is less than we had anticipated. If you are in the position to help out with a donation for someone unable to contribute that would be greatly appreciated.

Thank you for supporting our school to be the vibrant, inclusive community that it is!

You can also view payment and donation requests, and make payments, on the MyKindo app. Remember you can claim back tax credits for any of donations made to the school. You can find out more about tax credits here <https://www.ird.govt.nz/income-tax/income-tax-for-individuals/individual-tax-credits/tax-credits-for-donations>

If you would like to set up a payment plan for your donation and fees please contact Joanne in the school office office@roseneath.school.nz.

Te Tatau - Counting

When we count things out we use **ka** in front of each number?

E hia ō kiwi? How many kiwi?

School T-Shirts

If your child is representing Roseneath School in a sporting event they are expected to wear a Roseneath School T-shirt. These can be purchased from the school office. We have a very limited number of t-shirts that are available on loan. Our supply of loan t-shirts has depleted so if you have one at home please send it back to school. Similarly if you have a t-shirt your child has out grown and no longer needs we would appreciate it if you could donate it to the school to supplement our supply of loan t-shirts.

Dogs in School Grounds

We have noticed an increase in the number of dogs in our school grounds lately. We ask that owners please keep their dog on a lead at all times and away from classroom doorways and the blue matting under the playground. We also ask that the adults take charge of the dogs. Some of our children are not confident around dogs or may have had a negative experience with one. Thank you for your co-operation with this matter.

School Comms

We are aware that at times there can be a lot of emails or skoolloop notifications of events etc. We are trying to streamline our communication to parents but sometimes can not avoid doubling up with information.

For whole school events like the NZSO trip or where more than one class is involved the contact for advising that you would like to help or that you would like to withdraw your child from the activity will be [Nicola Dunne](mailto:nicola.dunne@roseneath.school.nz) who works in our school office from 12 to 3pm. nicola.dunne@roseneath.school.nz

The contact for individual class activities will be the class teacher. The teacher may send home a paper copy of the advice notice along with an email.

EOTC events such as Camp can have their own requirements which may generate a lot of paperwork.

We appreciate your patience and cooperation with us in this matter.

Lower Deck Poetry-Te Whanganui-a-Tara and "The view from Lower Bridge

The beautiful sea has light shining from the sun
The flowers are waving in the wind
People are sliding down the slide
People are playing in the Crow's Nest
Look at Matiu Somes Island and the water under it
By Connie

Ripples in the water
Sun shining down on us
Trees covering us
Planes fly over
By Leo

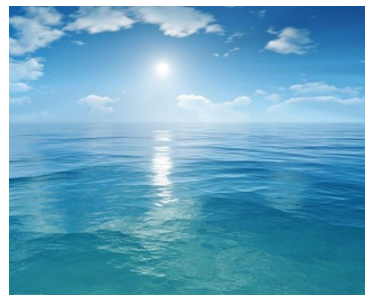

I ran down to the Crow's Nest
I felt the breeze in my hair
I look up to the blazing sun streaming on my face
As I lie down on the shimmering wood
As the clouds come past
By Stella

The sky is gold
The wind blows while you are playing on the grass
Feel the wind
And start all over again
Sky, sky, sky again
By Eva

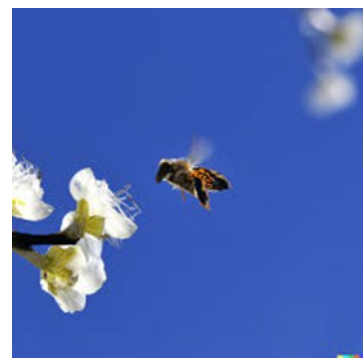

I can see the bright blue ocean
The grass as green as emeralds
The mountains are a lovely dark green
The flowers are nearly as glowing as the sun
By Anisha

Crow's Nest and cabbage trees
I love you both so dearly
Sun shining on the sea
As the wind blows
I love this
By Theia

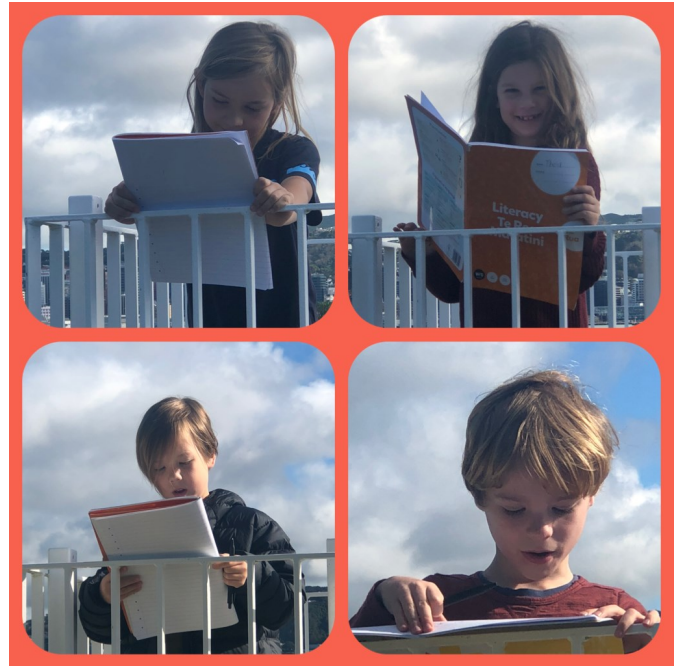

The water is like glass
The sun shines
Trees are still
Birds are chirping
Fish are swimming through the water
Bees are flying
The gentle roar of a plane
Speed boats zooming across the ocean
People fishing
People at the beach
Bushes being picked
Goats climbing
By George

The precious sea
The boats pass
The fish swimming
The sea is nature
The nature made us *By Gregorio*

*+ A Simple Trick for When You Are About to LOSE IT With Your Child: *+

Take a deep breath... and "trade places."

Think "If I was my child, what kind of parent would I need right now?"

When your child breaks something you've told them to be careful with a million times...

Instead of snapping:

"Look what you did! I told you so many times!"

"Trade places":

You **KNOW** you made a mistake.
You already feel bad.

Be the parent you need:

"I am feeling very frustrated. I know this was an accident. I need a minute to myself before we talk about this."

"Trading places" is like a reset button for your brain.

It helps you see the situation from your child's perspective BEFORE you lose it with your child.

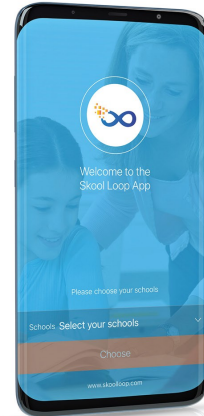

So next time your child does something that could push you over the edge...take a deep breath, "trade places", and be the parent you'd need if your roles were reversed.
