What a fabulous Cross Country day we had on Tuesday at Oriental Bay. Thank you to the many parents who helped out with the course and running the Wacky Races on the beach. We were so lucky with the weather - sunshine and a gentle warm breeze.

A huge thank you to Jemima Hales who organises these events.

The Central Zones inter school competition is Tuesday 16 May (postponement date 18 May). Good luck to the team heading to this event.

Coronation Day at Roseneath

How regal we looked today for Coronation Day. Classes have been learning about the coronation and making crowns, scepters and orbs. For most of us this is the first such event and I will be watching on Saturday night. For my 91 year old parents this will be the fifth coronation in their lifetime - Kings George V, Edward VI, George VI, Elizabeth II and now King Charles III.

Working Bee - Gardens

We are going to hold a gardening working bee on the next fine Saturday - bring your secateurs, gardening gloves and favourite weeder so we can tidy up the gardens around the school which have become a little overgrown.

I will look at the weather forecast and if it is looking fine for the coming weekend I will let you know.

School Donation Requests

Over the next few weeks you will receive the Roseneath School Contribution Request, including an invoice for stationery purchased for your child for the year. You can also view payment and donation requests, and make payments, on the MyKindo app. Remember you can claim back tax credits for any of donations made to the school. You can find out more about tax credits here <https://www.ird.govt.nz/income-tax/income-tax-for-individuals/individual-tax-credits/tax-credits-for-donations>

If you would like to set up a payment plan for your donation and fees please contact Joanne in the school office office@roseneath.school.nz.

If you are in the position to help out with a donation for someone unable to contribute that would be greatly appreciated.

Thank you for supporting our school to be the vibrant, inclusive community that it is!

Collective Statement from Principals

You may have seen in the media that primary and area school principals who are NZEI TE Riu Roa members have voted to stop working with the Ministry of Education and to limit our work hours.

We have taken this action as we believe it is necessary to highlight the significant issues that we need to address in the current round of negotiations.

We are committed to continuing to lead our schools and to ensure that they are safe, healthy places where students are learning during this time. Our day-to-day work to do this will continue, but we will no longer be working with the Ministry on their education system work or to introduce or implement new initiatives.

As principals we make a significant contribution of time and expertise to this work. There is little additional resource or staffing to support this which has a negative impact on us. We will continue to meet with our boards.

We will not be available for work or to be contacted before 8am and after 5pm on weekdays. This includes sending or receiving digital communications.

We also will not be available at all on Saturday, Sunday or public holidays. We hope to receive an acceptable offer in negotiations and will end the work ban when that happens.

If I was the King or Queen... (stories by Aft Class)

If I was the Queen I would wear a crown. I would sit on a special seat. I can do anything I want. I would have servants. I would have lots of money. I would tell my servants "I want some food please." I would water my garden, I would smell all the flowers. I would go to the cafe and have cups of tea.

By Evie

If I was the king, I would be rich and buy expensive things.

By Paris

If I was the Queen I would send things to the people who don't have homes. It would be nice for them have a home. I would build them all homes out of bricks. I would wear a crown with jewels. I would wear it everywhere, I would have butlers.

By Lotte

If I was the Queen I would give my people water because some people don't have water. I would have servants, they would cook my food and I would have a throne to sit on.

By Mila

If I was the king, I would get a cup and fill it with money, so everyone could take them the money and they would be rich.

By Andreas

If I was the Queen I would keep plants nice. There would be gardens everywhere!

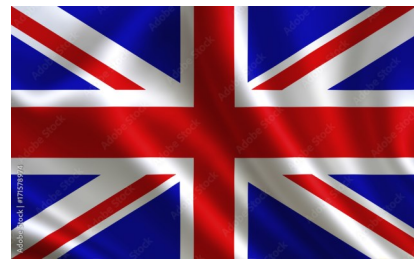

By Georgia

If I was the king and I see a person without food, I will buy some food. I will buy a crown for myself. I will wear it everywhere in the kingdom.

By Gaku

If I was queen I would put nature everywhere and help people by giving them coins and money. I would have lots and lots of meetings. At the meetings I would talk about how much money the people get. I will do fun stuff too, like going to the cafe.

COMMON PARENTING PITFALLS TO AVOID

Mistakes are part of the process of parenting. But it's easier to recognize your missteps and get back on track if you know some of the common pitfalls.

Here's a list of 5 harmful habits and the positive approaches you can pivot to instead.

PITFALLS

BEING LED BY FEAR

"Get down from that tree! You're going to break your neck!"

BEING AN INCONSISTENT PARENT

"I know we said family dinner was important, but sometimes it's okay to skip."

BECOMING DISTRACTED

"Hold on, I just need to reply to this email from my boss."

WORRYING WHAT OTHER PEOPLE THINK

"Imagine what the neighbours will think about that mess you left in the yard!"

IGNORING YOUR OWN NEEDS

"I don't have time to take a break. I'm just way too busy."

INSTEAD

LEAD WITH LOVE

"I know you want to climb higher in that tree, but I want to make sure you're safe. Let's find a different tree with stronger branches."

STAND FIRM WITH RULES AND ROUTINES

"I know you want to join that soccer team, but the practices are at our dinner time. We decided that being together for dinner is important."

CREATE SPACE TO CONNECT

"This seems very important to you. I was about to reply to an email, so let's meet in the kitchen in ten minutes to talk this out."

FOCUS ON YOUR PERSONAL OR FAMILY GOALS

"I know we want to have time to watch a movie tonight. Let's see if we can clean up the whole yard in fifteen minutes, then we'll be free to relax!"

PRIORITIZE YOUR OWN MENTAL HEALTH

"I need fifteen minutes to take a break in the bedroom. I'll be back out soon, then we can figure out what we're making for dinner."

We all make mistakes as we go. Knowledge and awareness help us correct ourselves. **We do better when we know better.**

"Character first, Ability second" – Shinichi Suzuki Suzuki Method Royden's Suzuki Guitar Studio follows the pedagogy of Dr Shinichi Suzuki, providing a nurturing environment that develops the whole child, through music. Suzuki discovered that all Japanese children are able to speak Japanese with relative ease. By creating a respectful and nurturing environment, any range of ability, discipline, and beauty within every child, can be cultivated to ultimately improve the human condition, whether it be language acquisition or learning to play an instrument.
