Holiday break

I know for some families the holiday break is a time of juggling work commitments and child care, and it probably doesn't feel that long since you were all at home together during lockdown! For others you might be able to take some time to spend together, perhaps travelling around our beautiful country.

Research has shown that children don't necessarily remember the most extravagant activities, but instead they treasure the small things that happen routinely as they grow up. It might be that you have a PJ and pancakes breakfast, or perhaps you might drag the mattresses into the lounge for a movie night. Whatever you do this holiday break, and wherever you get to, I hope it creates some positive memories for you and your whānau. Stay safe and well, and we look forward to being back at school together for Term 3, which starts on Monday 20th July.

After School Care: Welcome to our new Coordinator and Farewell to Pyar

We are thrilled to announce that Stacey Clyde is taking over the After School Care role from the beginning of next year. Stacey is the Owner of High Five Childcare Centre, and knows some of our Roseneath students already. Our new after school care programme will be called Tūkaha Out of School Programme, which means "Stand Strong".

This afternoon at 2:30pm we farewell Pyar as she retires from 12 years in the role. You are very welcome to join us in the hall.

Before running our Out of School Care programme, Pyar worked for a short time as a teacher at Roseneath, and has had many other adventures around the world. Pyar, we wish you well for your next adventures, wherever they may take you!

Assembly Friday 9:05am All Welcome!

It is with great joy we welcome you back to our school assemblies in our School Hall. We will have some singing, certificates and we have Lower Bridge hosting, and Lower Deck, Lower Bridge and Upper Bridge sharing items.

Dental Clinic update 2020

Due to COVID levels 3 and 4, the mobile dental team have had to assess their van visits to schools and unfortunately they are unable to complete all their van visits for this year.

The team will be organising appointments at the Miramar Hub clinic. If parents have any concerns regarding their child's dental care, or need to update contact details the service can be contacted on 0800 TALK TEETH (0800 825 583).

School Fencing Project in School Holidays

We have some new Ministry- funded fencing being installed during these holidays- including down the driveway, and along the boundary line behind the PE shed. The new fences and gates will be safer and more secure for our students once they are installed. You are welcome to use our school grounds during the holidays, but please be aware that while the gates and fences are being installed there will be multiple hazards on site; trucks and tools and no doubt some extra noise and debris! Please supervise children while they are at school during the holidays, and ensure they stay well away from the building sites. When you return to school after the holidays, the gates will have been changed- they will be double latched with a top safety latch and a 'normal' gate latch. This is to help keep all of our children safe, but might be a bit fiddly for us while we get used to them! Kia mihi koe mō te manawanui! thank you for your patience.

The Wonder of Dance

We had the team from Dances for Schools|Dance Curriculum (our children sometimes call them Dancing with Dean!) scheduled to run two weeks of dance lessons this term as part of our Wonder of Dance topic. We had the interruption of Lockdown, so the dance lessons went online. We've managed to reschedule Dean and Mark for next term, and they will be running class lessons from Monday 3rd August through to Friday 14th August. We will be finishing the fortnight of lessons with a dance showcase that you will be invited to attend, and we will send more information out when we have more details.

DanceSplash and Camps 2020

The organisers of Artsplash (which includes the DanceSplash performance at the Michael Fowler Centre) have made the decision to cancel Artsplash for this year. We know DanceSplash is a highlight in the calendar for many of our students so this will come as a disappointment. We have a Year 5 & 6 and a Year 7 & 8 camp update coming home to you today outlining more detail around the the decisions for both of these camps; the Year 5 & 6 camp at El Rancho will go ahead in December, and the Year 7 & 8 camp will be replaced with a local Wellington experience.

myKindo changes to POLi payments (instant bank transfers)

We have been advised that a service fee of 1% (capped at \$3) will apply for myKindo topups using POLi (instant bank transfers) from 6 July 2020. Internet banking continues to be FREE.

You will see these top-up options—Internet Banking (POLi) - will incur a 1% service fee (capped at \$3). Funds are instantly transferred.

Credit/Debit Card - will incur 2.5% and 50c service fee. Funds are instantly transferred. Visa, Mastercard, American Express, China Union Pay.

Internet Banking (at your bank) - FREE. Allow two days for processing of funds (normally next day). Orders can be automatically placed when the funds have cleared. Kindo is a Registered Bill Payee with all major banks (search 'Kindo' to avoid entering their bank account number when using internet banking).

You can set up an Auto Payment or top up additional funds to your myKindo balance to avoid topping up each time, which will streamline your next purchase if you'd like to do so. Questions? hello@mykindo.co.nz

Term 3 Learning Programme: Welcome to Roselandia - Porianga o Te Wai Hirere (Society of Roseneath)

Next term we embark on our PrEP programme- focused on societies, money management, and business. We are calling our Roseneath society **Roselandia - Porianga o Te Wai Hirere**.

Our classes have been busy this week designing our currency. Next term students in Years 0-2 will learn about money management and how goods are bought and sold. Students in Years 3-5 will have the opportunity to earn Roseneath 'wages' as they work in groups to design, make and sell products at a Market Evening at the end of the term. Students in Years 6-8 will have opportunities to apply for our school government positions, and be part of making decisions about our Roseneath School society, or to create their business and products. We will host a Market evening towards the end of the term and you will be invited to come and be part of the buying and selling!

We know lots of you have expertise in business, innovation and finance, and we would love your help!

- Do you have time to support our warehouse managers (the resources shop) 1:30-2:30 one afternoon?
- Do you have time to do a 'class talk' about your job?
- Do you have time to be a mentor for a business group for a few days as they design their product?
- Is there something else you would like to be involved with?

Please get in touch- you can contact your child's class teacher or email me on principal@roseneath.school.nz. Thanks for those parents who have already been in touch!

Art /Story From Lower Deck

By Hank

In the mountains beside a huge tree, lay a sleeping leopard.

Suddenly a snowflake landed on the leopard's nose. But at the same time the bushes parted and a little leopard sprung out of the bushes and shouted "I AM LOST, HELP, HELP!"

"Who are you?" asked the little leopard.

"I am Sumire," replied the big leopard.

"That is an interesting name," said Sumire. "Who are you?"

"I am Kate."

"So can we just get out of here?" asked Kate.

"Well it depends where you want to go."

"I just want to get out of here."

"But where do you want to go?" asked Sumire.

"I want to see the world," replied Kate.

"But where in the world?"

"Oh I didn't think about that," said Kate. "I want to go to the mysterious castle in Feathers Forest."

"So let's go!"

Mary Potter Hospice

Is seeking support for our Street Appeal which is coming up on Friday 18 and Saturday 19 of September.

If you are keen to collect for an hour or two, please register as a group or individually online here - <https://marypotter.org.nz/events/street-appeal/>

With holidays on the way, and families looking to travel NZ with kids, we have collated **376 things to do in Aotearoa**. Now that the chilly days are arriving, we have the deets on **how many layers** your child needs to wear, how to keep your family in **good health with good food**, and we share some helpful advice about common **ear, nose and throat** complaints. We have two super-simple and delicious **recipes with brown rice** (you'll be hooked on the cheese balls, we promise!) and we look at cures for our sporty kids who develop **Osgood Schlatter** (knee pain) and **Sever's disease** (heel pain).
